HOWARD GENE NATION

GENE

What can I say to such a great Lab Ass!
Really it's been such a honor knowing you and
even greater being able to have you on our
side in Chemistry. I truly know I would
have never made it through that class if it
weren't for you. GENE take care of Markie!
He is one of the dearest people in the
world (I think you already know that) but
anyway be good and remember me and
our Great Class 69!

As Always, Jay

Soul . . .

Love,

To my music appreciator
I hope you have happiness
for the rest of your life.
Maybe after you make your
first million \$ we could
buy every record we like
and have a huge poche
room and all the equipment
speakers, etc we could find
and then sit there forever
and listen to the music
and watch the lights —
how that for ambition?

Always remember me and
the mighty class of '68.
Too bad it's almost over —
or is it better that way?

Love,
Deanne

An inner depth —

That fourth dimension . . .

Faculty — Curriculum

Mr. Gene Molnar

Cheering for the Hurricanes, taking part in student activities, relaxing with students at pep rallies and extra-curricular gatherings, are among the many ways that our principal participates in student life.

Besides his campus duties, Mr. Molnar is a leader in the community. All in all, our principal reflects the true spirit of Mount Dora High School.

Mr. Gene Molnar

Principal

Mr. Fred Sanwald

Assistant Principal

Helping Mr. Molnar in the Administrative work of the school is Mr. Fred Sanwald, Assistant Principal. He is a man who helps in managing the school business, planning the curriculum with teachers, and helping the students with scheduling problems. Doing his job well, he merits respect and praise from students and faculty alike.

Express Our Ideas

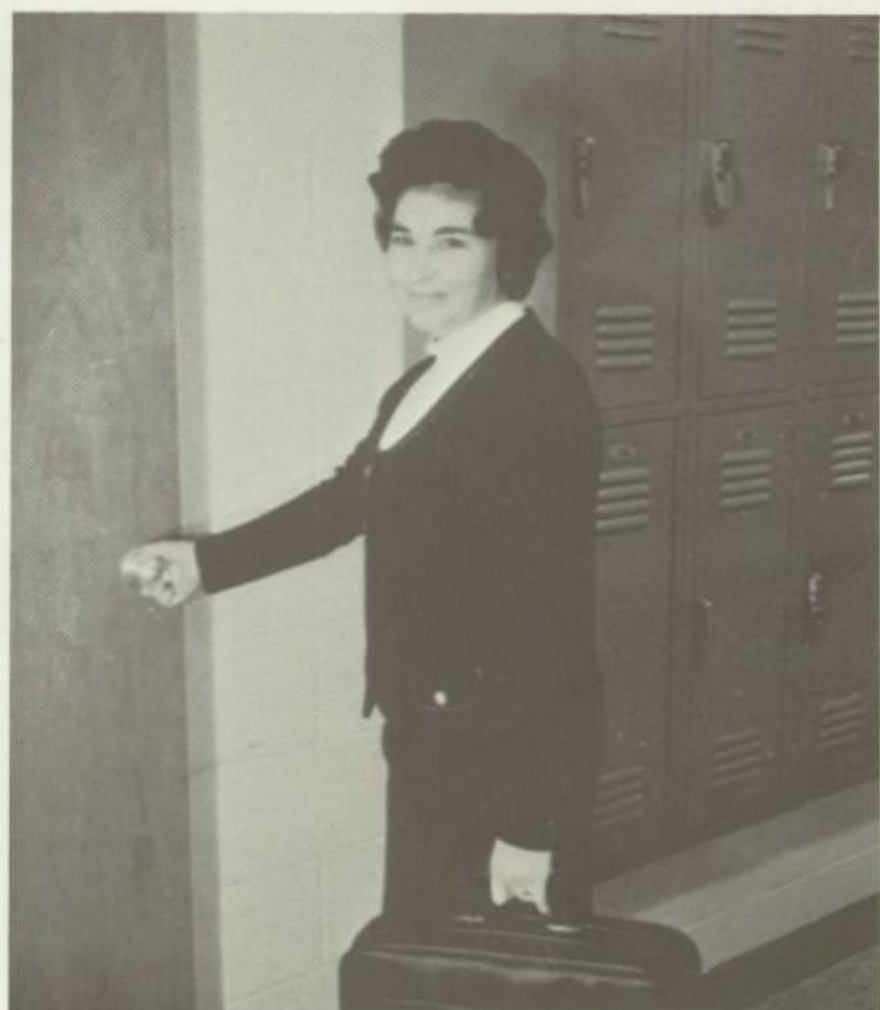

English is the most valuable study at MDHS; without it all other courses could not exist. We are given a basic foundation in grammar and composition. We also learn of American and British literature. This writing practice and literary array gives us excellent college preparation.

Study Challenges Students

Our science department at MDHS seeks to give students basic knowledge of the scientific studies distilled from observations and discovery. Biology classes study relationships of living things; chemistry students, besides scarring their skins with sulfuric acid, learn the fundamentals of nature's elements and the composition of all matter. The department is building informed citizens for a modern age.

Student Council

President - - - - - GINNY PEASE

Vice-President - - - - - JANET MILLER

Secretary - - - - - LAURE KNORR

Treasurer - - - - - SHLEEN HOBODY

Historian Reporter - - - - - ALICE DRIGGERS

President Pease has many Student Council problems to talk over with Principal Molnar.

Represents the Students

Student Council in Action

The main aim of the Student Council this year was to be that the council represented the students.

The system of choosing representatives was revised for this purpose, and careful attention was given at each meeting to student problems.

The Student Council sponsored Homecoming, Activity Periods, Grub Day, and Sadie Hawkins Day. This year's Student Council was an active student government.

Inter-Club Council

Left to Right: Charlie Kennedy, Marty Cox, Shleen Hobdy, Ginny Pease, Janet Miller, Chris Stoothoff, Don Christopher, Charles Clement, Cathy Stewart, Jane Cato, Virginia McCabe, Valerie Hays.

Junior High Student Council

ROW ONE: Gary Hopcraft, Valerie Hays, Jeff Fowler.

ROW TWO: Duane Key, Wayne Molnar, Luane Loflin, Gay Jones, Dennis Bryan, Scott McCullough, Terry Wingler, Tommy Windram, Jimmy Swift.

VALERIE HAYS - - - - - President

JEFF FOWLER - - - - - Vice President

GARY HOPCRAFT - - - Secretary-Treasurer

The Junior High Student Council provides each member with the experience of leadership. The representatives are elected from each seventh, eighth, and ninth grade homerooms, and each person is given the opportunity to voice his own opinion.

Newly Organized Jr. K Club

FRONT ROW: Doug Eller, Tommy Land, Treasurer; Mac Morgan, Vice-President; James Christopher, President; Gary Hopcraft, Secretary; David Hardman.

BACK ROW: James Loflin, David Webb, Buddy French, Paul Bass, Charles Allcott, Shawn May.

The Junior K is a new club on our campus. It is an organization sponsored by the Key Club for outstanding boys in the seventh, eighth, and ninth grades. In this year of its formation, the club's faculty advisor is Mr. Gary Nicholson.

National Honor Society

Left to Right: Alice Driggers, Steve Lacy, Laure Knorr, Kerry McWhorter, Kathy McConnell, Anita Lynn, Jane Cato, President; Candy Montgomery, Virginia McCabe, Vice-President; Albion Land, June Coleman, Secretary; Dale Vanlandingham, Charles McConnell, Treasurer; Rebecca Ryder, Beverly Lunsford, Nancy Wells, Betty Kelsey, Julie Melvin.

Honor Society Members are chosen on the basis of Scholarship, Leadership, Character, and Service.

An anticipation filled the air during the Honor Society assembly; members gave short speeches emphasizing the ideals of the Society. The old members introduced the inductees to the student body. The night before, there was a candlelight ceremony in which the new members recited the Honor Society oath led by President Jane Cato.

It was a long climb . . .

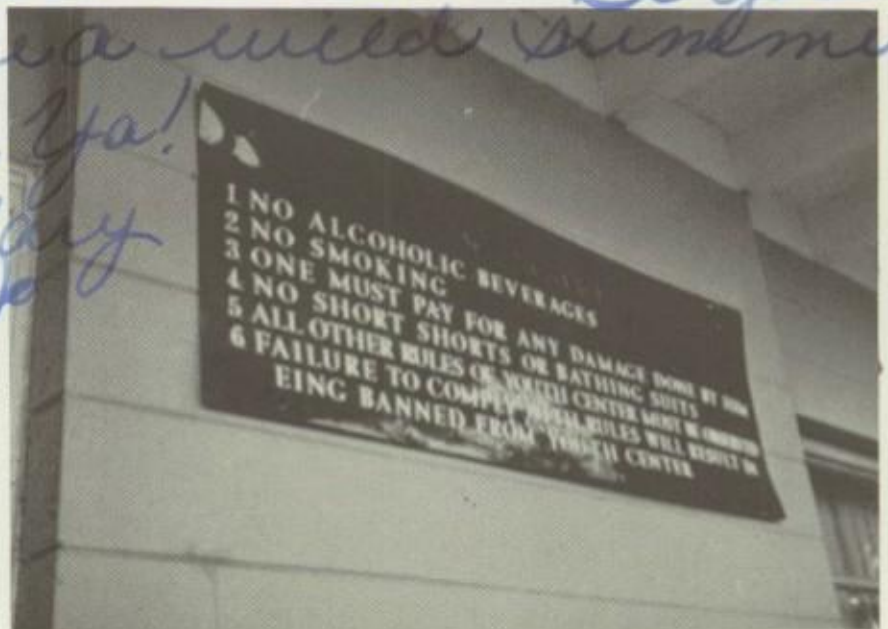

In the beginning
There was
Darkness . . .
Emptiness . . .
Loneliness . . .
And restriction.

Gene,
It really has been a great year and finally it is just about at its end. With homecoming and the play, it surely has made a very fun feeling senior year. Although you & I have never gotten along real good, I just want you to know that I miss you and your remarks in business English. I want to wish you all the luck in the world & I hope you get out of life every thing you wish. Be good & have a wild summer!

Love ya!
Mary
'68

*The evolution of time
Brought
Friendship . . .
Participation . . .
Laughter . . .
And acceptance.*

But we finally made it!

Our Senior Year
Represented

An unmatched homecoming
project . . .

And Powder Puff team . . .

Fast, pulsating times . . .
Tense, spirited moments . . .
And attainment of knowledge.

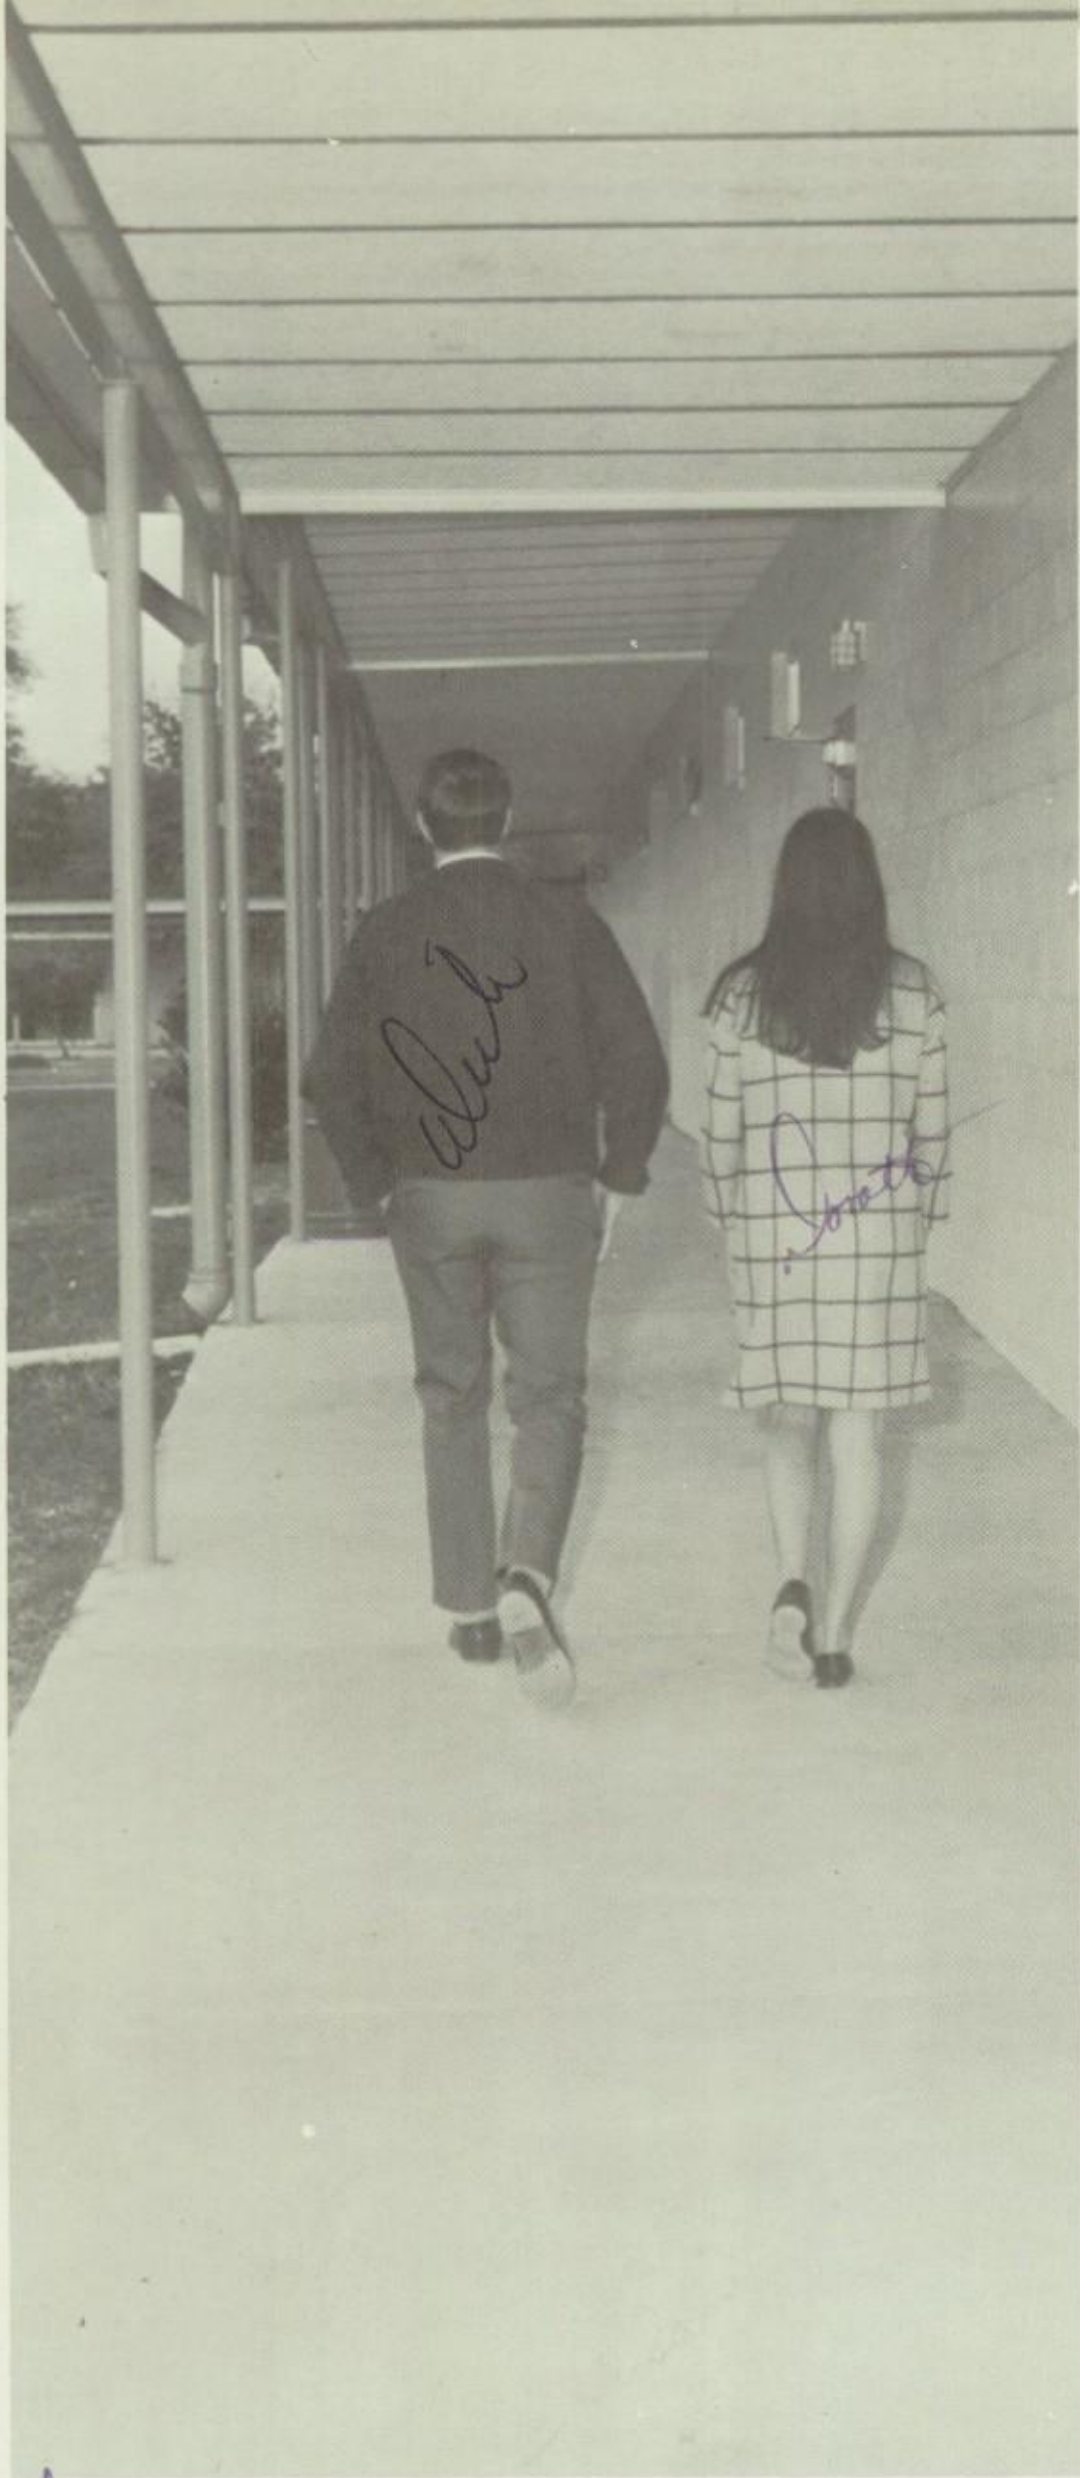

well Gene were almost out
forever! We've had some
good times together and
you've been a great friend
don't forget all our fishing
trips. I'm sure you'll go
for Gene so stick with it
keep it hanging. Bill

Gene,
I guess you won't forget this
year, either! We've had alot
of fun in Bio., especially
watching Mr. Pierce's films &
counting pulse. Some day when
my pulse stops for the doctor,
I'll tell him you've already
diagnosed my condition as
momentary death.

Seriously, I hope you've enjoyed
this year as much as I have.
Best of luck, & remember the
class of '68!
Love ya,
Jerry

Howard,

Well we've almost made it
(now watch us flunk)!

This year has been a great
one for me and it seems as
if I've gotten to know a lot
more people. As you for instance.
Before this school year I thought
of you as just 'ole' Gene. But
now you're more than that.
you're someone who will listen
to problems and give understand-
ing advise. This is an important
quality that helps make up
a persons character and you're
lucky to possess this.

Lab ass. wouldn't be the
same without you and Sam.

We all seemed to have a
passionit hate for Dr. Johnson
O'well the old saying says,
"Birds of a feather flock together."

Best of Luck always to a
great guy. As Always,
Ruby (Dorothy)

Jayin -

Was really fine guy
remember our Great chunks
in the 10th 11th and 12th grades
And the many great summers
Best of Luck to you (your buddies) Dush

We leave MDHS in a new light
Not emptiness, but fulfillment . . .
Not loneliness, but confidence . . .
Not restricted, but mature . . .
Taking its spirit with us.

The Stray

Gene-

Not a book
Just 5/8 of a page

Here I sit - watching you float back in
forth in that freezing pool wondering how
you can stand it. I'll never forget the Nigger
graveyard we didn't see (cowards? No....) Maybe
if it hadn't been pouring down rain.... AND lightning
Done I could tell you what a great guy you are
and wish you all the luck in the world - but
you wouldn't like that, so I won't - If you want
to think I'm thinking that - go ahead. Good
de '68 will really stick together next year - a
mass movement to LSTC. Keep you cool (HA, HA)

(That's saying you've got cool!)
P.S. - Will NEVER forget the
parties (?) at your grandmother's
down with a:00 moves (?)

Love, Peggy

Gene,
Thanks for all your help?
in speech, I've been
a weird year, but I
think I'm still alive.
Good luck in your future.
Thomas Fisher

Gene,
It has really been a great
year, especially in Business
English. We never did anything,
but who cares. Best of luck
always to a great guy.

Love
Dina

Gene,
I have really enjoyed knowing
you this year, it's been a lot of fun.
I will always remember P.A.D. classes
and your "spying" missions for me
in Chemistry. Best wishes and
all the luck in the world. I know
that you will get all the fun out of
life that you can.

Richard

Gene,
Hell what can I say, it's been
a lot of fun knowing you these
years and 6th period wouldn't
have been the same without
you. Have fun this summer &
don't get caught. Remember all
the fun we have had(?), and
keep it cool!

Charles

D. G. 68'

[illegible]

Gene,
You're a pretty good guy. It was very wise of
you to take Magda's and my advice about not
showing up for our debate. Virginia and I
managed to lose without you but we
appreciated your cooperation none the less.
This year has been so much fun and your
little cuts were very much a part of it.
Take care and keep your cool at L.S.J.C.
Best wishes

Love,
Alice
(BAT)

Love,
Susan

Gene,
I hardly know where to begin. I realize I can't say
everything I want as I will cut it down. You've had some
real good times and some bad times. I don't remember the
bad ones. We didn't have that many. All the football things
we did. We went to Orlando together with your cousin. Oh -
how cool. And all the times we went to the boat ramp and
open donuts. Well, I had better stop bringing back the
memories we had. So bye - but good. Take care of yourself and
don't cause any trouble.

IN JUN,

well, I guess were headin for
The Last Round up. There really
Ain't no sense in hash'in over
all the ole times, cause there
Just Ain't no end to 'em. I
guess when I think back on
all our dickin around & ~~hell~~-
Raisin; The old Keen Campin
Trips To 'em All. Next year
wer'e gonna have to get together
Again Around New Year's and
go out to the cabin; I'll never
forget that night; we sure
brought in the ole 68' in great
spirit. Remember those Nip
movies at your house on Fri.
Nights, your Grandparents house,
(The T.V.!) well IN JUN, These
years have been the best of my
Days, and I know I'll never
forget 'em. Good Luck

Your Buddy

AIF

My,

Well now that you have corrupted me
how do you feel? - Only kidding -
Never forget all the great times we had like at
your grandmother's house watching movies on
T.V. when ~~we~~ we should be beaver down.
Remember when we spent the night at her
house and went to Marty's slumber party.
Remember all the times at the cabin. It has
been fun and I hope it will be more fun
this summer and maybe next fall if we
go to Lake-Sunter. Take it easy and don't
blow your cool.

'68

Samuel Brooks

Gene,
You think I'm going to say
something nice like every ~~body~~
else... great guy, great year,
etc... well, I will. Really.
I have enjoyed our friend-
ship throughout the last
few years. I've especially
enjoyed our Bio II parties. I
hard work, but fun. Good
luck out in the big world
alone Gene - we've got a
big step ahead of us. Be
good.

Love,
Nancy

Indian
 Well I think
 we are going to
 make it out of here at
 last. We have done a lot of head
 raising and caused a lot of head
 aches to teachers (Mrs. Sellers). It'll
 be a while before they forget the class
 of '68. Best of luck in the world on
 the outside and I'll see at the University
 of Vietnam.

for
 (over)
 having
 all the
 the
 then mainly
 lose down
 all. But

"Mo"
 "65"

May 68

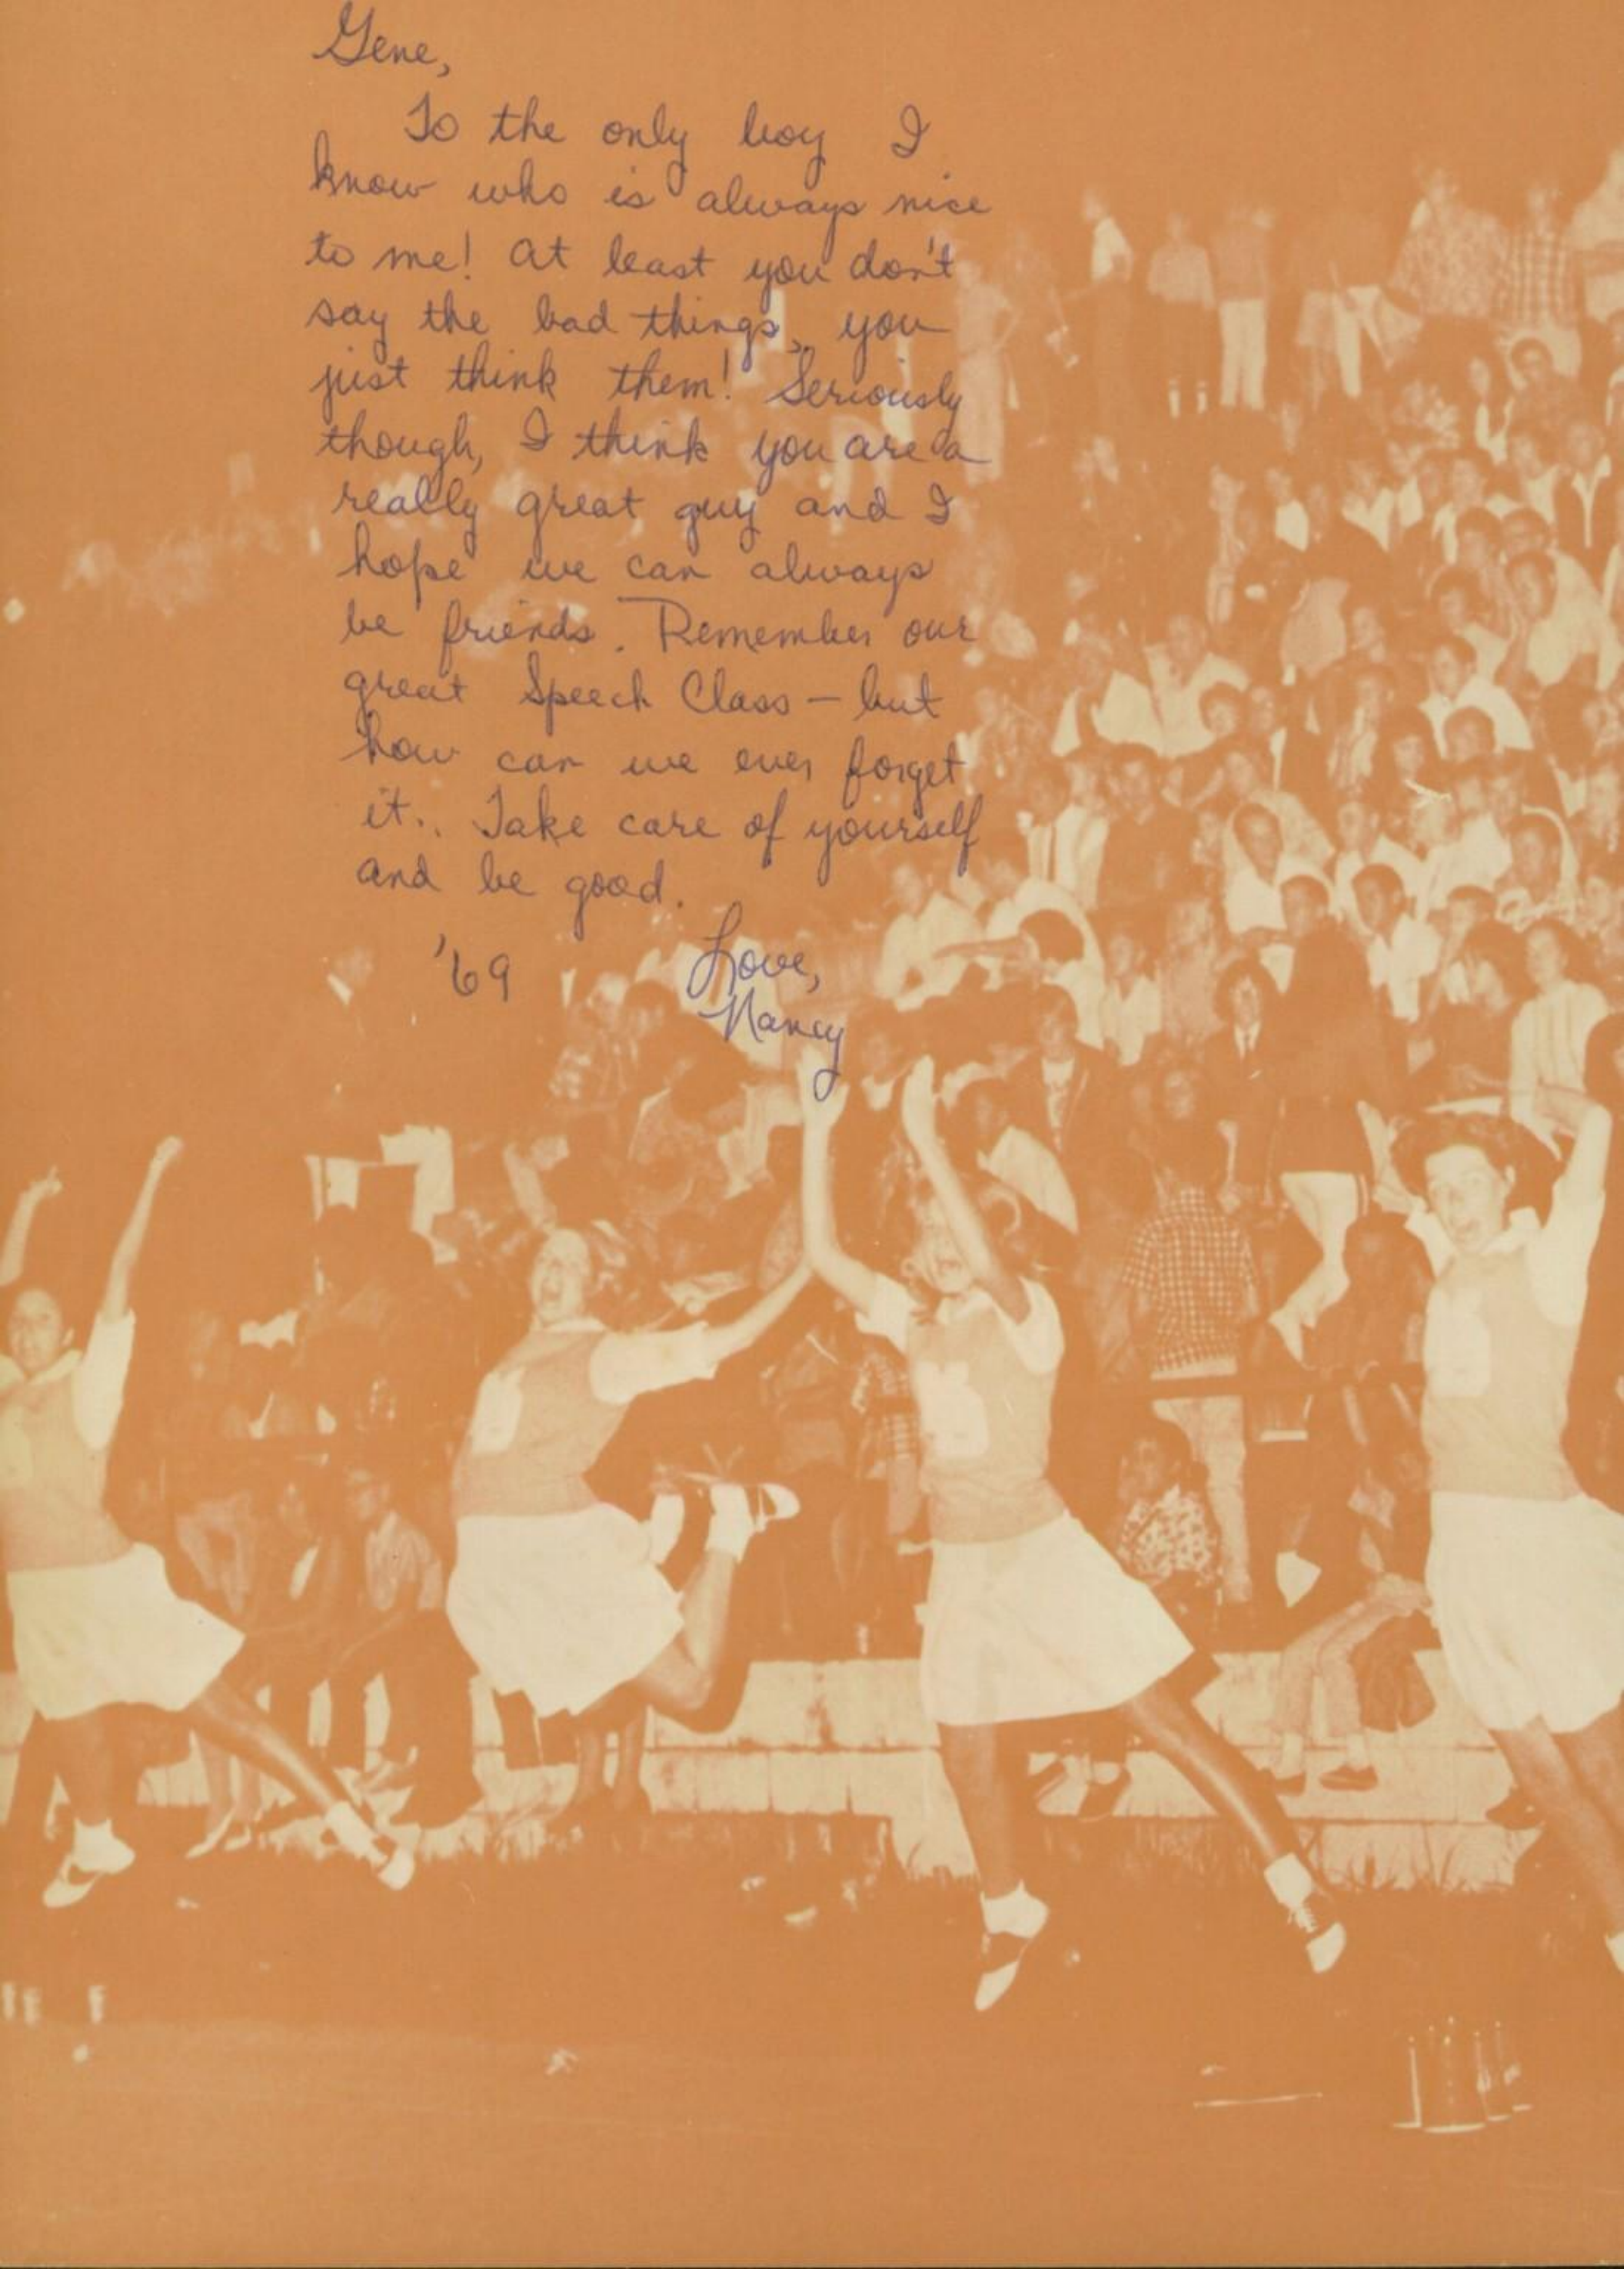

[illegible]

Gene,

To the only boy I know who is always nice to me! at least you don't say the bad things, you just think them! Seriously though, I think you are a really great guy and I hope we can always be friends. Remember our great Speech Class - but how can we ever forget it. Take care of yourself and be good.

'69

Love,
Nancy
